### **Maine Drilling & Blasting Partners with Habitat in New York**

**Granville, NY, June 2019** – Maine Drilling & Blasting joined with yet another local Habitat for Humanity affiliate, this time with Habitat of Northern Saratoga, Warren and Washington Counties. After the foundation was poured, Habitat organized a three-day “blitz” to get as much done as possible on this new home build. Maine Drilling & Blasting employee volunteers stepped up donating their time and efforts to help with completion. taking ownership in painting all the interior walls and ceilings, as well as some other projects around the site.

Maine Drilling & Blasting, recognized as a leader in the industry, provides drilling, blasting and related specialty services to the construction and quarry markets throughout the Northeastern and Mid Atlantic United States. In addition to the corporate office in Gardiner, Maine, Maine Drilling & Blasting has offices in New Hampshire, Vermont, New York, Massachusetts, Connecticut and Pennsylvania.

#### **About Habitat for Humanity**

Founded in 1976, Habitat for Humanity has become a global nonprofit housing organization containing different chapters in local communities across all 50 states in the United States and in approximately 70 countries. Habitat’s vision is of a world where everyone has a decent place to live, and to do that, they partner with families in need of decent affordable housing to help build their own homes alongside volunteers and pay an affordable mortgage.
